

Lenn Millbower - Bio Intro

I would like to introduce our speaker to you.

He is an expert at the application of entertainment techniques to enhance learning.

His practical methods fuse learning and entertainment to create interventions that are creative, meaningful, and fun. He is:

- **The author of the CLOUT Creator Inventory, a performance behavior self-assessment for trainers.**
- **The author the ASTD Info-Line, Music as a Training Tool, focusing on the practical application of music in the learning environment;**
- **The author of Show Biz Training, the definitive book on the application of entertainment techniques in the training environment;**
- **The author of Cartoons for Trainers, a popular collection of 75 cartoons for every training situation;**
- **The composer and musical arranger of Game Show Themes for Trainers, a best-selling CD of original music for trainer;**

- **The author of *Training with a Beat* the foremost book on the application of music in learning;**
- **An in-demand speaker, with successful presentations for businesses and organizations including IAL, ASCD, ISPI, SHRM and ASTD;**
- **A creative and dynamic instructional designer and facilitator formerly with the Disney University, the Disney Institute and Walt Disney Entertainment;**
- **An accomplished arranger-composer skilled in the psychological application of music to enhance learning;**
- **A popular entertainer who performed extensively as a comedian, magician and musician; and ...**
- **The president of Offbeat Training® where he teaches learning professionals to keep ‘em awake so the learning will take.**

Please help me welcome Lenn Millbower, The Learner-tainment® Trainer!
